

LOVE MY RIVER – THE CHOR

A new and exciting project has started at Astley Park in Chorley and we are looking for volunteers to come along and join us!

We will be delivering a programme of walkovers and water quality surveys. Volunteers will be trained to check out the quality of the river and gain a wider understanding of sources of urban pollution to water bodies and actions you can take to reduce or prevent pollution. Also, we will be undertaking conservation improvements, such as removal of invasive non native species and habitat management works along the river.

We will be doing walkovers fortnightly from Friday 30th January - 10am until 3pm

Meet outside the Cafe at Astley Park – Chorley.

If you would like to find out more contact Pauline Taylor

Telephone: 01253 345445 Mobile: 07810123988

Email: Pauline.Taylor@[groundwork.org.uk](mailto:Pauline.Taylor@groundwork.org.uk)
